

Registration

We recommend registering as soon as possible. Participation is free of charge but audience is limited. To register and possibly propose a poster presentation, fill-in the form below. Registration and submission of a poster presentation are completed using the same form, at the same time.

Note that the definitive list of the participating funding organisations will be published in the call text in October. Meanwhile, indications are provided [here](#) [1].

The list of registered participants is available [here](#) [2].

The registration is closed.

VADMU dinner, June 9 (subject to availability)

VADMU half day 2, June 10 morning

Lunch, June 10

Dietary requirement(s)

-- Call for Poster Presentations --

Posters can be used as a support to raise a point about the desired contours of the topics of the Call 2016, or to present a project idea that could lead to new collaboration opportunities. The Conference is not about presenting past research and current results, but about presenting an outlook on the future of the domain or of a project.

Bring your poster at the Conference (A0, in portrait format)!

Topic

- None -Lifelong Learning for Intelligent Systems Visual Analytics for Decision-Making under Uncertainty

Title of poster**Author(s)****Publishable abstract (max. 100 words)****Research interests and/or link to main author's webpage**
